EDUCATION

University of North Dakota, Grand Forks ND USA

2027

*Bachelors of Science, **Biomedical Engineering***

*Bachelors of Science, **Chemical Engineering***

PROFESSIONAL EXPERIENCE

Public Service Assistant

Dec 2023-Present

Chester Fritz Library, Grand Forks ND

- Balanced schoolwork and working with improved time management
- Collaborated with public engagement to provide an enriching environment for students

ENGINEERING PROJECTS

Fibra: Predicting Perimenopause

Jan 2026-Present

- Completed a literature review on different predictive factors for perimenopause to full menopause
- Analyzing and synthesizing data results from literature review
- Reporting Results biweekly
- Setting up data for predictive model building

Microalgae treatment of agricultural runoff and lipid synthesis

Jan 2025-Dec2025

- Completed a literature review on the background of agricultural runoff treatment and microalgae lipid production methods
- Conducted research abroad in South Australia in coordination with a local lab at the University of Adelaide

CerebraPrint: a Biofidelic Brain Model for TBI Testing

Jan 2024-May2025

- Collaborated with a multidisciplinary team to differentiate tasks
- Presented results of research at the RMBS conference, April 2025
- Conducted compression tests on synthesized hydrogel at a variety of concentrations and constructed a graph in MATLAB of the results

SKILLS

Programming languages: python, MATLAB

Computer software/ frameworks: Microsoft Outlook, Teams, Word, Excel, ANSYS, ASPEN plus

EXTRACURRICULAR AND LEADERSHIP EXPERIENCES

Leadership experience

- President of the UND Chess Club **Sept 2024-May 2025**
- Treasurer and Founders of UND's BMES Startup **March 2026- Present**
- Member of Biomedical Engineering (BME) Fellowship **February 2026-Present**
